Testing Analyst Advanced

The Tennessee Department of Treasury impacts the lives of Tennesseans every day. We safeguard Tennessee taxpayer dollars, teach citizens to make financial decisions, manage approximately \$50 Billion Dollar assets in house for the State of Tennessee pension fund, provide retirement coverage to State employees, and return abandoned property.

Information Systems Division is seeking a Testing Analyst to support creating new and enhancing existing software applications. As a key member of the development project team, the Testing Analyst will perform the following activities:

- Participate in a project from its outset to understand requirements
- Ensure that they are testable, create, execute, and monitor test plans
- Engage the business team to deliver quality products on time that meet their needs.

Graduation from an accredited college or university with a Bachelor's degree in Computer Science or Information System is required, along with 3 to 5 years of experience in software testing.

To apply, submit your resume to: Treasury.Resumes@tn.gov
